Parking Lot Rules

Please remember that all cars must keep moving through our parking lot (at a very slow speed). If you are waiting for your child, please find a parking spot until class is dismissed and then you may pull around in front of the studio when you see your child. Many cars hover in lines that back up traffic in the parking lot and many of our Mallard Creek neighbors are upset with the bottleneck we create in front of their businesses and it is also against the rules of the Mallard Creek Association. So, please be courteous and remain in a spot until class is over. Thank you.

Welcome Elite Families,

Finally, the fall has arrived and everyone is enjoying the cool weather and their new dance classes!! We would like to take this opportunity to send out a warm welcome to all new and returning students. We are very happy to see all of your smiling faces this year.

We want to make sure students are happy with their classes and well informed on your teacher's expectations. We strive to make sure that our students are getting the most they can out of their lessons. Monitors are on in the back room, classes may be watched at any time.

For your convenience, our [Website](#) posts all of our events and schedules and includes general information such as program descriptions, recital dates, newsletters, etc. All forms and newsletters are downloadable from the Website. In addition, closings for weather or other emergencies are listed. Be informed and log on regularly!! Also, don't miss the photos!! Soon we will be taking and posting shots of Monday classes and Tuesdays will follow about a month later, etc. The web photos are a great way to show your friends and family what one of your classes looks like.

Thank you to those of you who have supported us in the past and purchased some Elite Gear ! Our new foldover Elite yoga dance pants are on display near the front desk. Elite hoodies will be offered this fall as well.

Please call or email
