

ELITE DANCE ACADEMY

TO: PARENTS OF COMBINATION CLASSES

RE: NEW DANCE SEASON

Welcome to Elite Dance Academy. I am really looking forward to working with your child. I would like to ask a few small things from you to help our class run as smoothly as possible:

1. Please have your child use the restroom BEFORE entering class. It is funny, but once one dancer has to go, they all have to go.
2. Be sure to tie your child's ballet shoes tightly and tuck the bows into the front of the shoe before class. The laces are very dangerous and don't stay tied too well. I don't want anyone to trip and this is the safest way to prevent that.
3. Please make sure that tap shoes have some kind of elastic in them instead of ribbons. It takes a while to tie everyone's shoes and we lose out on valuable class time. It is much easier to slip them on and go! You can purchase elastic ties at the front desk.
4. Please don't allow your dancer to bring toys, dolls, jewelry, etc. to class. It becomes very distracting to the students and at times, it can be dangerous.
5. It is best not to open the classroom door during class. It is quite a task to keep the attention of young dancers and every time the door opens, even a crack, all of their eyes go directly to it and I lose them. It is then very hard to get them back on track. I would really appreciate your cooperation with this matter.
6. Every week the dancers receive a sticker on a report card as a reward for great listening ears and participation. We will be keeping them at the studio and you will be able to request to see your child's whenever you wish.

I am looking forward to a wonderful year with your child. Please feel free to come to me at any time with a question or concern. I will be more than happy to help you out! Thank you in advance for your cooperation throughout the year and for letting me share in a part of your child's life.
